About Me!

Hello everyone! My name is Abigail, but please call me Abby. My favorite foods are karaage and Kare-Kare, a traditional Filipino dish made with peanut sauce. My favorite colors are white and purple. On my days off, I enjoy visiting parks, cycling, and cooking. I love spending time with children and look forward to creating wonderful experiences together.

Favorite Things About Japan

What I love most about Japan is the beautiful harmony between its rich culture and respect for time and commitments. I especially admire the concept of "Ikigai," which means finding purpose and meaning in life. Japan reminds me to cherish each moment and live with purpose.

Nice to meet you all!
